Our Success Confession

Chosen Logistics & Business Inc

Father, I thank you for your wisdom, guidance, and peace for our business CHOSEN LOGISTICS & BUSINESS INC. You are the Source and Supplier of all we set our hands to and everything we do in business is prospering and coming to maturity. We are like a tree firmly planted by the streams of water, never ceasing to yield profit for the Kingdom of God. Father, we thank you that our business has a good reputation and that it is seen well in the minds of its customers and vendors. We operate our business above and beyond the systems of this world. We are diligent in business; we stand before kings and shall not stand before vile men. We are faithful stewards over all that you have entrusted to us. Our business is flourishing, and we are experiencing increased sales, profits, revenue, capital, expanded markets, and yielded returns daily. Father, thank you for the tremendous success that we are experiencing in our business C L & B INC and for providing creativity in new product ideas and new servicing concepts. Thank you that all grace, favor and earthly blessing abound toward us, so that we always, in all circumstances, whatever the need be, are self-sufficient, requiring no aid or support. We are always furnished in abundance for every good work and charitable donation. Father, we plead the blood of Jesus Christ of Nazareth over every aspect of our business. We are out of debt, every need is met, and we have plenty in store. Father, thank you for faithful employees who are committed to the vision. We declare and decree that we all are diligent and not slothful, rendering service as unto the Lord, and not unto men. We are qualified and

dedicated individuals that are highly skilled and anointed to perform above and beyond our own natural strength and abilities. The favor of God is upon us and goes before us producing supernatural increase, promotion, debt cancellation, restoration, honor, increased assets, greater victories, recognition, prominence, petitions granted, policies and rules changed, and battles won, for with God all things are possible for us. Father, thank you for perfecting all that concerns this business and giving us the power to get wealth. We declare your blessing upon our business CHOSEN LOGISTICS & BUSINESS INC and all her affiliates and give you all the glory for keeping this organization vibrant, alive and thriving. In Jesus name, every day and always, Amen!
