Your answer

Coding

Most projects can be completed without implementing coding, however, where necessary, we can help! Coding fees start at \$550 per page.

Will your project need coding? *

Your answer

Websites

We create classic to advanced websites, from a blank canvas or an existing platform.

Mobile SEO! We are happy to develop a mobile version of your site that looks professional on all devices, simultaneously with your project, however, Mobile SEO must be requested. When bundled with original services, a Mobile SEO Add-On is an additional \$100.00 fee.

***Please select to include Mobile SEO below.

Please select the web service you need from the list below. *

Select the (#) of the Web Services Needed: | #1 Create Classic Website (Create website with a single (scroll down) Landing Page, About, & Contact) | #2 Create Advanced Websites (Create websites with customized visuals and advanced features) | #3 Redesign Existing Sites (Change the look and feel of existing sites with new designs, templates or features) | #4 eCommerce Websites (Set up online stores (up to 20 products) with payment and shipping methods) | #5 Restaurant Website / Restaurant Menu Setup (Create restaurant menu and set up website) | #6 Mobile Website (SEO) - Add Mobile Sites (Create mobile versions of sites that look professional on all devices. We are happy to develop a mobile version of your site and mobile versions can be simultaneously designed. Unless requested, mobile site versions are not included. Mobile versions of sites look professional on all devices and incur additional fees) | #7 Migrate Existing Sites (Migrate existing sites to the Wix platform while keeping the look and feel) | #8 None |

Your answer

Brand Development

Our Brand Development analyzes your brand, and creates a unique brand identity, color palette and typefaces.

IMPORTANT

***Legal Corporations, LLCs, etc., MUST be submitted and approved through your state.

***Creation of an Online Store requires a Legal Business Name.

What is your company/business name? *

Your answer

Do you have a commercially licensed Custom Logo? *

Choices: | Yes | No | I need a commercially licensed Custom Logo |

Your answer

What is your company/business tagline? *

If your company/business needs a "tagline", we can help!

Your answer

What is your company/business theme color(s)? *

Please type up to five colors, include a background color.

Your answer

If starting a new domain, what domain group do you prefer? *

Select the (#) of the Domain Group Needed: | #1 .com | #2 .net | #3 .org | #4 .info | #5 other |

Your answer

Custom Domain Name

Custom Domain selection is where you choose your own personalized site URL by connecting or attaching domains to Wix site(s).

PLEASE READ:

If you would like to add a Custom Domain Name to your site, please type three Custom Domain Names that you prefer. Why three, domain names must be searched in the domain registry for availability, then purchased. Optional names are needed in case a preferred name is not available. Type N/A if this does not apply.

What is your custom domain name (URL) or web address? *

If you need a custom domain name (URL), please type 3 (three) preferred names. (Example MyStunningSite.com). The DNS registry will be searched for the domain name availability.

Your answer
